This landmark 19th century church, one of South 's finest examples of Victorian g'tic architecture, sits on the main square of the city. It was built using local sandstone and has beautiful stained glass windows. We believe that all who are regenerated, called and justified will persevere in holiness and never finally fall. God testified to Acceptance of his son's work by lifting him from the Dead.9. We believe that the son of God has gone up to His father's right hand is enthroned in Gl'ria, where he intercedes in the name of his people and rules about all things because of him. The Spirit of God regenerates the chosen sinner and irresistibly attracts him to repentance in relation to God and by faith in Christ the Savior. We also believe that the baptism and dinner of the Lord are orders and deliverables belonging only to regenerated believers and should be practiced in the context of such local churches.15. We believe that God's moral law is summarized in the ten commandments and that all ten commandments continue today to be the standard of righteousness that every child of God must love and obey. He was appointed representative and head of human race exposing all his descendants to the effects of their obedience or disobedience to God's commands.4 We believe that Adam fell from his original righteousness in sin and brought himself and all his death, condemnation and slavery to sin. We believe that to be totally ai ©m of the power of man can love God, maintain his laws, understand the gospel, repent of sin or trust in Christ. We believe that God, before the foundation of the world, and by his 'pria'pria, elected a great array of men and women eternal life as an act of free and sovereign grace. The communion of saints, however, requires recognition of responsibility and communion with Churches (26: 14,15) .17. The authority of the Bible is derived from his author and not the opinions of men. If you are new to our church, we invite you to learn a little about us and our leaders. We believe in the only true and alive god, in three people: the Father, the Son and the Holy Spirit, which is invisible, personal, omnipresent, eternal, dependent on no one, immutable, true, trustworthy, -Poder, sovereign, omniscient, just, holy, good, loving, merciful, long suffering and graceful.2. We believe that God Almighty revealed everything that is necessary for life and salvation in the sixty-six books of Sacred Scripture, which are the Word of God. We believe that all believers are obliged to join a local church as a member, whenever possible, bringing themselves under the government of the Church and discipline. Our greatest desire and privileges is to worship God as he revealed himself to us in the Bible and his son, Jesus Christ, our Lord. We believe that the local church is under the authority of Christ alone. We believe that the Scriptures teach that only men - qualified men Biblically - must keep the two unique cysts that Christ gave to church, which is an elderly and dioX. We warmly welcome you on our website, and we are happy á € ™ á € ™ here! If you are looking for a church that affirms the final authority of the Holy Scriptures for all FÁ © and practical, the preminence of the Lord Jesus Christ, the primacy of the preaching of the Word of God, the glorious truths of the salvation called doctrines of the grace, the need and responsibility of evangelism and a serious and reverent approach to the joyful adoration of God, then á € œLe our pleasure to have you come visit us ! Join us live online at 10:45 am and 2:00 pm. Our location: 14407 Rosecrans Ave. We believe that God Son poured the holy spirit to work alongside the preached word.
